# Build your new home in just 3 simple steps

Statewide, regional or remote, Oly Homes can look after you.

Oly Homes specialise in the manufacture and delivery of 'factory built' steel frame homes. Only steel stumps and steel framing guarantees maximum strength, durability and termite safe protection to give you peace of mind. Our homes are designed to take the stress out of building. In as little as 6 weeks\* you could be in your new Oly Home. We take care of everything from the design and council approval, through to set up on site.

All you need to do is collect the keys and put your feet up!<sup>^</sup>

## Step 1

### PLANS & APPROVAL

Oly Homes work closely with you to arrive at a design that suits your individual needs perfectly. Our dedicated team of professionals oversee all stages of planning and approval, ensuring a hassle free and speedy process.

## Step 2

### BUILD & DELIVER

Our undercover manufacturing process ensures construction of your Oly Home is completed and delivered on-time and on-budget, ready for delivery to your home site.

## Step 3

### COMPLETE & CONNECT

Your Oly Home is delivered with all internal wiring and plumbing completed internally and tested. All you need to do is arrange for connection of the services to your house, settle in and enjoy your new Oly Home.
